

Commercial Pesticide Applicators

Exam Prep Seminars

The Colorado Nursery & Greenhouse Association (CNGA) and Colorado State University offer the Commercial Pesticide Applicators (CPA) Exam Prep Seminars to help you prepare for and pass the Colorado Department of Agriculture's Commercial Pesticide Applicators Licensing Exam. Your instructors are Mary Small, Extension Agent, Urban IPM and Curtis Utely, Plant Diagnostic Clinic Research Associate with the Jefferson County Extension office.

The CNGA/CSU Exam Prep Seminars are designed to double your chances of success when taking the exam, saving you time and money.

These seminars are offered twice a year in both the spring and fall, the seminars offered are the General seminar part 1 & 2, Turf seminar, and the Ornamental Seminar. All seminars are from 9:00-3:00 and include lunch. The general seminars are \$65 each and the category seminars are \$95 each, but include the associating book.

The upcoming dates for 2017 are below; and registrations can be made on our website at www.coloradonga.org. <https://cnga.memberclicks.net/event-calendar> Select the month October to locate the specific class days then click on the day for registration details.

October Seminars

General Seminar Part I	Tuesday, October 10th
General Seminar Part II	Thursday, October 12th
Ornamental Seminar	Tuesday, October 17th
