How will this project and the funding organizations (Colorado Tree Coalition and the ReForest Colorado Grant Program) be promoted in the community?

Describe your project, limiting your description to 3-5 paragraphs while highlighting how your project will meet any or all of the criteria below:

- Right tree/right place (please list tree species and numbers)
- “Community” projects are preferred (parks, open space, or other public areas)
- Opportunities for volunteer involvement are great but not required.
- Projects for Earth Day or Arbor Day are also great but not required.

Please attach a map or other image of the planned planting area to your application email.

How will the trees be established?

How will the trees be maintained beyond the establishment period?

Please attach at least two images showing the destruction caused by your community’s natural disaster.

**BUDGET:** Please complete the table below. Do not include in-kind services in the project cost. Expenses must be new trees and tree-related items required for establishment.
